Locate slip identifying the location of underground natural gas lines been included with the application?		Yes <input type="checkbox"/>	No <input type="checkbox"/>

Other Information: (*Land Use Bylaw 705, as amended*)

- No accessory building or any portion thereof shall be erected or placed within the front yard of a parcel, except for attached garages;
- An accessory building on an interior parcel shall be situated so that the exterior wall is at least 1.0 m (3.28 ft.) from the side and rear boundaries of the parcel;
- An accessory building on a corner parcel shall not be situated closer to the street than the main building. It shall not be closer than 1.0 m (3.28 ft.) to the other side parcel boundary or the rear parcel boundary;
- An accessory building shall not be more than 4.5 m (14.8 ft.) in height, and shall not exceed the height of the main building;
- Distance requirement between main building and accessory residential building is as follows:
 - 1.22 m (4 ft) between exterior wall of the house and exterior wall of the accessory residential building or, 0.61 m (2 ft) between eaves of the house and accessory residential building subject to condition that the accessory building has a one hour fire rated wall;
- No accessory building may be used for the purpose of sheltering livestock or poultry;
- When a parcel abuts a lane less than 6 m (20 ft) in width, the Development Authority may require a rear yard setback for accessory buildings greater than the prescribed minimum;
- For the purpose of calculating yard setbacks as provided in this Land Use Bylaw, an accessory building, if connected to the main building by a structural element including but no limited to a common foundation, roof or wall, shall be deemed to be part of the main building;
- No part of an accessory building shall be located on or over an easement or utility right-of-way unless authorized by the Development Authority;
- Temporary/soft Sided Buildings shall comply with the following:
 - All guidelines set out in above in Accessory Building – Residential;
