## ATTENTION: GAS UTILITY CUSTOMERS

Our natural gas Supplier reported higher than expected revenues over the 2016-2017 Fiscal Year and have refunded those profits to their shareholders - Town of Sundre being one of them. Therefore, we are returning this unexpected revenue to our gas customers by way of a Gas Rebate on your Utility Bill.

The Utility Bill issued in December 2017 for the November 1<sup>st</sup> - 30<sup>th</sup> billing period includes a Gas Rebate credit which we calculated using your November 2017 gas consumption times \$0.61 per Gigajoule.
