### COMMUNITY SERVICES

The Town of Sundre would like to extend a huge thank you to the RVS Grade 4 classes that participated in the annual planting of the planters and various gardens around Town. The planters look amazing and the hard work is greatly appreciated. We would also like to extend a thank you to Mr. Brooks who organized the students, teachers and volunteer parents. Thank you to all who came out to beautify our Town. They did a fantastic job!

### REMINDERS

Drivers are reminded that the speed limit in a school zone is 30km/h until after you pass the "End of School Zone" sign.

Parents are reminded to cross with your children at the marked crosswalks and not in the middle of the street when dropping off or picking up students. This can be a dangerous habit to get into and we all know kids learn by example.

Thank you and have a safe summer.

Kevin Heerema  
Community Peace Officer

### TOWN OF SUNDRE WATER AND WASTEWATER OPERATOR (AEP I)

Nestled in the foothills of the Rocky Mountains, Sundre has a compelling history and a promising future. We take pride in being a sustainable community with a population of a 2,700 residents. Experience a love for nature, safe neighbourhoods, and a place you can make a difference.

The Water and Wastewater Operator (AEP I) is responsible to gain training in the maintenance and day-to-day function of the Town of Sundre's water distribution system, water treatment plant, and the wastewater and purification system. This position assists senior level operators by working hands-on in conducting pipe and hydrant leak detection, testing, flushing, quality testing, damage repairs, valve exercising and repairs and installations. This is a skilled technical position that requires the incumbent to work in the field, which may involve heavy lifting and manual labor.

The right person for this position will not mind getting their hands dirty while working side by side with their fellow employees. This 40 hour a week position will require some evening and weekend work and eventually participate in the Town's regular call-out rotation, be a Grade 12 graduate and have a valid Class 5 Graduated Driver's License.

The ideal candidate will be highly motivated as this is an excellent career development opportunity to obtain skills and knowledge, obtaining a long-term career within the Operations department. This candidate has the ability to attain Level I & II certifications from the Alberta Environment and Parks (AEP). Level I & II AEP certification holders are encouraged to apply.

The Town of Sundre offers an attractive wage, accompanied by a comprehensive benefits package and participates in the LAPP pension plan.

Full job description can be found on [www.sundre.com](http://www.sundre.com)

Interested candidates can submit their cover letter and resume by 1:00 pm on June 26, 2018 to:
