

**TOWN OF SUNDRÉ
NATURAL GAS SERVICE LINE
APPLICATION AND COST ESTIMATES**

Name of Applicant -	Date -
Billing Address -	Street Address of Installation -
Phone -	Phone -

- The construction of the natural gas service between the gas main and the gas meter shall be the responsibility of the Town of Sundre.
- Town of Sundre Gas Department will perform a site inspection before any gas permit is approved in order to assess the requirements for the installation.
- Services requiring above 4 ounces per square inch pressure or loads higher than series 400 metering will be done at cost and will require a more detailed cost estimate. Please notify the Town of Sundre Office if this is required.
- This quotation, once signed by the property owner or their agent will constitute an agreement between the applicant and the Town of Sundre.
- Town of Sundre summer construction season is from April 15 – October 31 each year.
- Policy #401 – Natural Gas Service Construction Policy is available at the www.sundre.com
- The Town of Sundre will levy charges against the owner of the property or such party requesting service on behalf of the property owner in accordance with the charges listed below for the installation of the natural gas service.

CHARGES

* A charge for an Electronic Meter Reading Device installed with the gas/water meters will be at cost.

For services at 4 ounces per square inch pressure the following charges apply:				
SERVICE SIZE		PE MAIN	STEEL MAIN	**Some locations may require hydrovac service **Steel gas mains require additional charge for welding.
¾ inch		1346.50	\$1376.50	
1 inch		\$1358.00	\$1,475.00	

* Average cost of welding for gas service onto steel mains is additional cost of approximately \$400.00

**Winter construction season requires hydrovac service to excavate the gas main. Approximate cost of \$850.00

NOTE: The above installation Charges only apply during the Construction Season of April 15 – October 31st,

I hereby agree to pay the Town of Sundre the costs as outlined above for the installation of natural gas service at the address indicated,
